

PSSPTI Annual Scorecard of NS Pension

As of March 31, 2023

Nova Scotia Public Service Superannuation Plan Trustee Inc. (PSSPTI) is responsible, along with Teachers' Pension Plan Trustee Inc., for monitoring the progress and performance of Nova Scotia Pension Services Corporation (NS Pension) towards achieving its strategic goals. The NS Pension Strategic Plan encompasses four strategic goals.

PSSPTI uses this Scorecard to measure and assess the progress and performance of NS Pension on one of the four goals as they relate to the Public Service Superannuation Plan. Two of the three remaining goals, Operational Excellence and People, are measure separately as part of the NS Pension Board Scorecard, which is available on the NS Pension website at: www.novascotiapension.ca. The remaining goal, Value Leadership, is assessed specifically by the Board of Nova Scotia Pension Services Corporation

Below is a summary of the PSSPTI Scorecard of NS Pension for the fiscal year 2022-2023:

Goal

Client Service: Anticipate and respond to the changing retirement landscape
